You should also ask them about your goals than what they want to achieve in the future. At the same time, the importance of close collaboration between marketing and sales keeps rising. Many companies do not measure, or connect, results through the sales funnel. It is also true that successful firms know very well how they can use information in the right way. Need Help With Your Marketing? Yet even this is still only half the job. Notevenoneofthesemessagesismemorable. Target audience identified.
