Nonetheless, for those women for whom the war and postwar years had meant hardship and suffering, first from bomb attacks and then from severe scarcities of all necessities, it is not surprising that the new currency registered as a decisive turning point. By the fall of the city network, which was also caused by several earthquakes of enormous extensions, the derelict Decapolis aqueduct was further rebuild and refurbished over the course of centuries in order to continue its use. Perceptions of the advantages granted mothers with small children also produced strains among women across generations.
