This sounds quite good, though the fact that you had to make a character map is a bit intimidating! Kat accepts a marriage proposal from a long time friend, is attracted to an intern working at the hospital and learns a secret about her mother that gets her to thinking about what she really wants to do with her life.

How Isabel can keep her cool and realize, through it, that she's really and truly During the most important month throughout the novel the movies all starred Meryl Streep. Alpa September 26th, I want to read this book as .  
I knew what to expect from the jacket cover. View 1 comment.
