Helps teach youth football. Well, the blocking scheme on this particular play typically allows the weak defensive tackle to come free every time when the opponent has pinched in his Defensive Line. This places emphasis on the offensive line. Defeat the cut block and get off to make an angle tackle. Will not solve the concussion. We have guidelines that our players follow, to help us get where we need to be in our stance faster. I am flexible with what our players are reading and try to teach both concepts. Great helmet Football is a dangerous sport, that much we know. Who wants to chat with me? While the reads all make sense within our basic structure, to our players it can sometimes seem like we are learning a whole new defense!
