As it turns out, how people form mental images seems to vary significantly, a fact In A Minds Eye surprised those who've encountered it for more than a century. She later took a career break to pursue further education and added a Master in Science from the International Space University, France, to her Bachelor's degree in Journalism from Prague's Charles University. British Journal of Psychology.

The mental image appear to correspond in all respects with reality. Jonas Schlatter, for example, creates Web sites for a start-up that he founded. Maybe just some shapes.

Simpsons speed away innocently in a white Ford Bronco. Why am I different?
