I read this book when I was in high school and I cannot remember the name of it. Most proprietors of these inns do not accept credit cards. There were also 2 stories about ufo's that i can remember involving one plane being slammed into the ground by what seemed like an invisible hand, and another where some airmen keeping watch over a plane graveyard when the ufo appears and one of them decides to hop into a still functional ww2 plane to chase it only to nearly "ram himself up its tailpipe" when it suddenly stops.
