Dean, Tim. Wolf's books are somewhat hard to find in English, but your review makes me want to start at the beginning and work my way. But writers who earn Nobel recognition are by definition atypical, those who distinguish themselves from the common run of other good writers.

The Battle of Legnica took place during the first Mongol invasion of Poland. While the situation of women in patriarchal romantic relations may indeed parallel that of wage workers under capitalism, as I have argued above, it is not necessarily capitalism alone that is responsible for their plight in *Die Liebhaberinnen*. Hoffmann and Franz Kafka, discussing e.
