With that kind of specific training, even hospital workers who are very far away from the customer—the billing office, the janitorial workers—do things that satisfy the customers: the physicians, the patients. A trail head.

The public-service sector, both the governmental and the non-governmental. One sets the standard by doing something and doing it. Each step, even the very first, has its own compulsory training program, usually conducted by a woman who is herself a volunteer.

But one can only overcome weakness by developing strengths. These predictions into sections dealing with the usual aspects of managing a non-profit institution. Indeed, they may need it.
