New book on health care is a call to action | Mercer Island Reporter

The Healthcare Crisis: The Urgent Need for Physician Leadership [Fredric M Tobis MD] on bemakuwevami.tk *FREE* shipping on qualifying offers. Dr. Tobis shares.

The Doctor Crisis by Jack Cochran | PublicAffairs

This book should be read by every physician who has lost hope—or is losing and a call for the learning and leadership we urgently need in health care.

Effective medical leadership in times of emergency: a perspective

The Reporter sat down with Tobis to discuss his new, self-published book, "The Healthcare Crisis: The Urgent Need for Physician Leadership."

About Us - Center for Physician Leadership

The model is based on two sets of medical leadership capabilities and Physicians are trained in the diagnostic, therapeutic and of need and also as a platform for a systematic medical leadership development process. In crisis situations, working alone is simply not an option, so collaboration is vital.
