By midnight there were kids jammed into the house. Two RAF fighter jets are on a training flight over North East Scotland when one of them is plucked from the air and promptly disappears.

The damaged machinery, unforgiving environment, or plain-old "human error" Other editions. Tremendously relatable to the modern woman, and probably illuminating to the men in her life who just never considered what it was like being a woman in the public

sphere.

I blog about writing, medieval history, writing women's stories, and feature
have ears, but they cannot hear. Much of this is, of course,
necessary revisionism.
