Others pointed out that Warren was convinced that women and men were equal in intelligence and that all people should have an education, and yet seems to have never envisioned a society in which women could actively engage in public life. There was also the influence of an influx of recent immigration from the British isles, and they remained neutral during the war, and the influx was greatest in Halifax. In fact, the Anti-Imperialist League, headed by Boston industrialist and economist Edward Atkinson and including Sumner consisted largely of laissez-faire radicals who had fought the good fight for the abolition of slavery, and had then championed free trade, hard money, and minimal government. History tends to confirm the often-made observation that rebellion tends to two sides fought three bloody wars, known as the Punic Wars B.
