It is like a game of chess, in which movement can occur in several different ways: the fields can be moved, in the sense of shifting cultivation; or the animals can be moved around by herders; or the labor force can move, as it does with hunters, vagrants, and migrant farm laborers; or the crops can be circulated, as they sometimes are to promote the fertility of particular, long-cultivated fields. The response of the government to the Naxalite-led tribal unrest was a repetition of official reaction to earlier rebellions.
