For these reasons, we are going to centre Social Justice about redistribution, recognition and representation. In order to stimulate debate, normative questions like these will be explored in the second part of this paper in light of the concept of social justice, being guided by the work of Sen, according to whom the exploration of the normative question of a good and desirable society has to concentrate on the reduction of actual injustices people experience.

Why are we so fortunate? Steketee, M. Bourdieu, P.
